There is nobody else exactly like you. American Bungalow is a collection from Vanguard that brings out your inner interior designer to create custom upholstery that reflects your unique personal sense of style and comfort. That's why we say: don't compromise — customize.

Start with comfort. With two different seat depths, you can decide whether you like to sit in or sit on a sofa, and which of the many cushions offered finds your restful bliss. Vanguard, the leader in affordable custom upholstery, offers many sizes, shapes, bases and nail trims. And, because we also finish the world's finest wood furniture — one at a time — exposed wood frames are available in hundreds of stunning finishes.

When you invest in American Bungalow, you get unsurpassed quality and craftsmanship with a lifetime warranty on state-of-the-art frames, eight-way hand-tied springs, and precision cutting and sewing to flow match fabrics in an aesthetically pleasing way. Equally important, you get the benefit of working with only the finest retailers who provide personal service, design expertise and tactile samples of finishes and fabrics you can see and touch.

AMERICAN BUNGALOW

YOU CHOOSE: a Classic (22" seat depth) or Grand (23.5" seat depth) design; a silhouette — from sofas to sectionals; a fabric or leather; a base option (leg or skirt); a wood finish (*on exposed wood*); an optional nail trim; and a standard or premium cushion and sleeper mattress (*if applicable*).

CLASSIC STYLES

Classic styles are crafted to reflect traditional proportions and seating comfort. The standard scale and 22-inch seat depth make these styles comfortable for most body types.
